SAF-T-BLOK

PATENTED

Designed to prevent unintentional discharges
and give you "Peace of Mind" when carrying
unconventionally... in a fanny pack or tucked
in a belt, etc. It snaps easily into place,
blocking the trigger but ejects instantly
when required.

The SAF-T-BLOK is almost invisible
and can prevent your own gun from
being used against you during a gun
snatch! (Proven in independent tests
to give more time to get to a back-up
weapon or escape while the assailant
is trying to overcome the SAF-T-BLOK)

Available for All Model Glocks

Ejects Instantly

CDC U-LOK

Universal Trigger Lock

The CDC U-LOK is an Economical Alternative.
Fits Pistols, Rifles, and Shotguns.
